SITE DESCRIPTION

Australia's most diverse stock market focused online community!

Aussie Stock Forums is a rapidly growing online community targeting Australian based stock market investors and traders. With over 18,000 registered members it is one of Australia's largest and busiest stock market forums.

Unlike many other similar forums Aussie Stock Forums doesn't just focus on the discussion of ASX listed companies but on trading/investing strategies and systems, forex, derivatives and on assisting beginners. This broad focus attracts a different breed of trader, encourages discussion not found elsewhere and assists in creating a positive and constructive atmosphere.
